ASIST scholarships are available to adults facing economic, social, or physical challenges, who are looking to improve their situation through educational opportunities. Last year, the combined scholarships of all EWI Chapters nationwide, together with corporate ASIST scholarships, totaled more than \$250,000.

EWI of Tulsa partners with educational providers and social services agencies to identify potential ASIST candidates. Students first apply and compete at the local Chapter level. EWI of Tulsa awards ten \$1,000 scholarships. Chapter-level winners are then submitted to the Corporate level for the opportunity to be selected for one of thirteen scholarships ranging from \$2,000 - \$10,000.
