The EWI Scholarship Program (EWISP) is an annual, competition-based program that awards more than \$200,000 nationwide in college scholarship money to qualifying high school seniors.

Students are nominated by their school to participate in the scholarship competition. Judges select winning students based on their scholastic achievement, leadership qualities, good citizenship, extra-curricular activities, and financial need.

High school seniors apply for EWISP and then compete at the local EWI Chapter level, where EWI of Tulsa awards five scholarships totaling \$12,000. Chapter level winners are submitted to the Corporate EWI level for a chance to win one of multiple scholarships.
