CHARTERED 1956

July 2025

LETTER FROM THE PRESIDENT

WARREN PROFESSIONAL BUILDING CORPORATION

My Dear EWI Sisters,

As the sun blazes high and we dive into the heart of summer, I'm filled with gratitude for the energy and passion that each of you brings to our chapter. July is a time of reflection, celebration, and momentum—and I'm thrilled with the progress we've made together so far this year.

From our successful Mini Firm Night in June to the meaningful connections forming at each meeting, it's clear: our chapter is thriving because of you. Your commitment, creativity, and enthusiasm continue to shape our path forward.

Looking ahead, we have some exciting opportunities on the horizon—TEXOMA is literally just around the corner and LCAM will be here before we know it. I encourage you to stay engaged, stay curious, and keep showing up for one another. Together, we make this community stronger, more inspiring, and more impactful.

Thank you for being such a vital part of our journey. Here's to continued growth, purpose, and a summer filled with bright moments!

"I think the truth of the matter is, people who end up as 'first' don't actually set out to be first. They set out to do something they love and it just so happens that they are the first to do it."
—Condoleezza Rice, diplomat, political scientist, director of the Hoover Institution at Stanford University

Warm regards,

2024-2025

How You Can Help

Think about who you know—personally or professionally—within these firms or industries. Our chapter's strength lies in the diversity and caliber of our membership, and your network is the key to helping us grow with intention.

Keep in Mind:

- The special quarterly bag drawing for any ladies who successfully recruit a new member!
- We are a non-compete chapter and all potential members must be vetted.
- Potential members can attend 2 chapter meetings as a guest, but membership only covers the meeting dues once.

Let's open doors, make connections, and invite more incredible women to EWI Tulsa!

JUNE MONTHLY MEETING FEEDBACK

THE MEAL

Overall feedback on the food was mixed—some found the taste and quality lacking, while others described the meal as delicious and satisfying. The dessert, especially the cake, received consistently positive remarks. A few guests noted the crisp lettuce, great variety, and smooth service, with one suggestion to include a menu sign upfront.

THE VENUE

The venue received overwhelmingly positive feedback for its beauty, spaciousness, and suitability for the event. Guests appreciated the easy parking and clean environment, though a few noted issues with hearing, restroom doors, and accessibility. Despite minor concerns, most attendees found it to be a fantastic and well-loved location.

THE PRESENTATION

Attendees loved the open layout and engaging setup, which made it easy to connect with all the participating firms. The event was described as fun, well-organized, and energetic, with many calling it their favorite meeting so far. Several praised the planning and expressed interest in doing it again.

MEMBER SPOTLIGHT

ASHLEY HAMILTON

I'm the General Manager of Roark Landscape, where I've proudly grown over the past 12 years, starting in Payroll and Accounts Receivable. I'm also a dedicated mom to three amazing kids—my oldest plays college football, and my younger two are thriving as a high school Junior and Senior.

Before my professional journey, I was a college softball player and competitive barrel racer—passions that taught me grit, discipline, and resilience. As a single mom since my children were 2, 4, and 6 (now 16, 18, and 20), I've walked the hard road many young moms face, which is why I have a deep passion for supporting and uplifting single mothers navigating their own paths.
